## Our barrel-aged Negroni...

Hotel Centennial batches its own barrel aged Negroni. First we infuse Four Pillars Gin, a fine example of gin coming from our very own shores with cardamom & orange zest. Gran Classico Bitter is the next step, after which we add Cocchi Vermouth de Torino. Unmistakably Cocchi in character, Vermouth di Torino is one of only two geographically protected AOC vermouths (the other being Chambery). This Storico Vermouth di Torino follows the regional tradition of using fine Moscato wine as its base, which is then infused with a secret recipe of local and exotic botanicals. To finish some Burlesque Bitters.

The Negroni sees oak for about six weeks. It is then rigorously tested by the team until we believe it has reached perfection.

*(6 weeks Barrel-Aged Version available throughout Winter)*
